

# **BOLT™**

Carafe  
Brewing System

## THE BOLT™ PACKS

Consistent quality and  
great taste brewed  
in every carafe.

The sealed Bolt™ packs keep  
coffee grounds fresh.

Since the coffee is pre-measured,  
your freshly brewed coffee  
will always have the excellent,  
consistent taste the Keurig®  
brand is known for.

### **COOL**

The Bolt™ pack is **HOT** after  
brewing. Please allow it to cool.

### **PEEL**

Carefully peel back tab  
to separate foil lid and filter  
from cup.

### **RECYCLE**

Recycle your Bolt™ pack's plastic cup

For more information, please contact your coffee representative.

# BOLT

Carafe  
Brewing System

## Discover our gourmet coffees available for the Bolt™ Carafe Brewing System

From carefully sourcing and roasting the high quality beans, to supporting small farms and protecting the environment, Green Mountain Coffee® focuses on what's important.

### ■ BREAKFAST BLEND - LIGHT

Breakfast Blend is one of our most popular blends. Bright, sweet, and engaging, it's our favourite way to start the day. A snappy, crisp, and citrusy Central American profile meets the sweetness, body, and depth of an Indonesian bean to create a classic and vibrant New England breakfast cup.

### ■ VERMONT COUNTRY BLEND™ MEDIUM

State of the art. Vermont Country Blend™ is a magical mix of light and dark roasts, resulting in coffee that is sweet, rich, and aromatic. Created as a tribute to our home state, it was specially crafted to comfort and inspire. No wonder it's one of our most popular blends.

### ■ DARK MAGIC™ - DARK

Our Dark Magic® Extra Bold coffee offers the rich aromatics and flavour qualities of espresso. Its deep, dark and intense personality is balanced by a spellbinding complexity and a subtle sweetness. Ideal with just a hint of milk.

Since 1919, Van Houtte® founder's know-how has been shining with its premium quality arabica coffees.

### ■ ORIGINAL HOUSE BLEND MEDIUM

True to our founder's original recipe, this after-roast blend offers the fleeting acidity of a light coffee with just a hint of spice and woody notes found in dark roasted coffee.

### ■ ORIGINAL HOUSE BLEND DECAFFEINATED - MEDIUM

This medium roast decaffeinated coffee offers a light acidity, a slightly spicy flavour and a pleasant body. True to our original recipe - only without the caffeine.

### ■ COLOMBIAN - DARK

Colombian coffee is second to none for the aficionado's palate. Dark roasted, this bold coffee unveils a rich aroma intensified by its fruity notes and fragrance.

From high atop ancient mountain ranges to lush Amazonian rainforests to Parisian cafés, Timothy's® is your passport to discovering the world of coffee.

### ■ ITALIAN BLEND - MEDIUM

Experience a renaissance of sweet flavour, smoky undertones and full body in this smooth, light espresso blend. A masterful creation of European roasting. Salute!

### ■ FRENCH VANILLA - MEDIUM

On the streets of Paris, there's nothing more enticing than the vanilla-rich aromas that drift out of every corner pâtisserie. We've captured that distinctly French flavour in this indulgent treat. Bon appétit!
